

Introduction

The goal of these scriptures is to help us see our significance (self worth, importance, value), our position and place in Christ and as a member of the Body of Christ.

Ultimately, it helps establish our identity in Christ. Identity is so important because it helps us see ourselves the way God sees us. As well, it also helps us to identify those things contrary to the way God sees us.

The way God sees us is important because it affects our self worth and our attitude (our reaction or response to our view of life). Your identity becomes who you are. Who you are becomes what you do.

“When a child of God looks into the Word of God and sees the Son of God, he is changed by the Spirit of God into the image of God for the Glory of God.” (Steve Munds)

- B. [Rom. 8:29](#) - Predestined to be conformed to the image of Jesus
